

## 2020 Eaglepoint Ladies League

This year Ladies league will offer two season long competitions, three two-person team format events and a separate weekly contest that will run every week of league play. The first competition is a team format and the second is an individual scoring race. A separate weekly contest each week will be open to any Female 18 years of age.

### The Team Competition

Two-person teams will count the best Net 9 Hole score each week from the team. A team must have at least 10 weeks of scores to qualify for the season standings. Each Team will count their best 10 of 15 weeks for their overall season point total. After the 10th week of scores, a team will be trying to better any of the previous 10 weeks scores to improve. The more weeks played, the better the chance of improving your team score. Top 3 teams will receive team prizes at seasons end. Tie breaker will be the 11<sup>th</sup> best team score from the season.

### Individual Competition

The individual competition will be a season long competition. Each player will count their 9 Hole Gross score each week. An individual must have a minimum of 10 weeks to qualify for the season standings. Each player will have their best 10 of the 15 weeks of scores to determine their final standing. The more weeks played, the better the chance of improving in the standings. Top 3 individuals will receive a prize at seasons end. Tie breaker will be the 11<sup>th</sup> best individual score.

### Two-man Team Events

There will be three Two-Person tournaments during the Ladies League Season that will be separate from the season standings. Since the Two-Person events are separate from the league standings, you can pair up with any golfer for the events.

June 9<sup>th</sup> – Two-Person Scramble

July 7<sup>th</sup> - Two-Person Modified Alternate Shot

August 4<sup>th</sup>- Two-Person Better Ball

## Weekly Contests

Each Tuesday every Player will have the option to contribute \$5 into a Ladies League Pot. This \$5 enters a player into Closest to the Pin contests on the par 3's, Deuce Pot's (make a 2 and get \$), other specialty holes, weekly draws for prizes, a weekly cash draw and sponsor draws. The weekly contest will be paid via E-transfer to [tramavince@gmail.com](mailto:tramavince@gmail.com). Submissions in the weekly contest need to be submitted before your tee time to be entered.

## \$5 Breakdown

\$0.50 – 1st par 3 on either front or back nine each week (will be a prize equal to or greater than the amount collected each week)

\$0.50 – 2nd par 3 on either front or back nine each week (will be a prize equal to or greater than the amount collected each week)

\$1.00 – One nightly cash draw equal to the amount collected each week

\$1.00 – Weekly Draw Prize (Equal to or greater than the amount collected each week)

\$1.00 – Deuce Pot (total money collected divided by players paid)

\$0.50 – A specialty hole each week such as Longest Putt, Closest to a Pin on a Par 5 in 3 shots, Closest to the line off the tee, etc. (will be a prize equal to or greater than the amount collected each week)

\$0.00 – 3 weekly Sponsor Draws (Anyone entered has a chance each week)

\$0.50 – Eaglepoint Ladies League Fund

## IMPORTANT INFO

### Sponsorship

We are encouraging teams and businesses to sponsor a Tuesday Ladies Day. Each week there will be a sponsor. Sponsors are being asked to donate \$150 cash or \$250 in prizes to have sponsor draw prizes. Sponsors will be recognized with their logo on our website in the League pages, on the season long leaderboards and thanked in the weekly email with results. Each week the sponsor prizes will be distributed to participants via draws. We need 13 sponsors to cover the season, but if we get more we can have dual sponsor days with more prizes and contests.

### Eaglepoint League Fee

\$50/Member of Eaglepoint & \$75/Non-Member of Eaglepoint. All participants must have a registered handicap this season through Golf Canada. Having a Golf Canada Handicap Factor is beneficial to all individuals for more than just League play, but other tournaments and events and will give us the ability to create more games, competitions and team formats in the future. If a player does not have a registered handicap than they will play to a 0.
