

## 2021 Eaglepoint Ladies League

This year Ladies league will offer two season long competitions and a separate weekly contest that will run every week of league play. The first competition is a team format and the second is an individual scoring race.

### The Team Competition

Two-person teams will count the best Net 9 Hole score each week from the team. A team must have at least 15 weeks of scores to qualify for the season standings. Each Team will count their best 15 of 22 weeks for their overall season point total. After the 15th week of scores, a team will be trying to better any of the previous 15 weeks scores to improve. The more weeks played, the better the chance of improving your team score. Top 3 teams will receive team prizes at seasons end. Tie breaker will be the 16<sup>th</sup> best team score from the season.

### Individual Competition

The individual competition will be a season long competition. Each player will count their 9 Hole Gross score each week. An individual must have a minimum of 15 weeks to qualify for the season standings. Each player will have their best 15 of the 22 weeks of scores to determine their final standing. The more weeks played, the better the chance of improving in the standings. Top 3 individuals will receive a prize at seasons end. Tie breaker will be the 16<sup>th</sup> best individual score.

### Weekly Contests

Each Tuesday every Player will have the option to contribute \$8 into a Ladies League Pot. This \$8 (preferably paid in cash) enters a player into Gross and Net prizing, Closest to the Pin contests on the par 3's, other specialty holes, and weekly draws for prizes. If you wish to compete in the Deuce Pot and/or Putt Pot you will need to pay an additional \$1.00 for each. Submissions in the weekly contest need to be submitted before your tee time to be entered.

## IMPORTANT INFO

### Sponsorship

We are encouraging teams and businesses to sponsor a Tuesday Ladies Day. Each week there will be a sponsor. Sponsors are being asked to donate \$150 cash or \$250 in prizes to have sponsor draw prizes. Sponsors will be recognized with their logo on our website in the League pages, on the season long leaderboards and thanked in the weekly email with results. Each week the sponsor prizes will be distributed to participants via draws. If you are interested in sponsoring the ladies league, please contact [elsa@eaglepointgolfresort.com](mailto:elsa@eaglepointgolfresort.com).

### Eaglepoint League Fee

\$50/Member of Eaglepoint & \$75/Non-Member of Eaglepoint. All participants must have a registered handicap this season through Golf Canada. Having a Golf Canada Handicap Factor is beneficial to all individuals for more than just League play, but other tournaments and events and will give us the ability to create more games, competitions, and team formats in the future. If a player does not have a registered handicap than they will play to a 0.
